Wholesale Buying & Return Policies

Policies effective for orders placed after 1/15/2016:

1. All orders must be a minimum of \$200.00. There are no minimums on numbers of pieces, you can mix and match however you choose.
2. Any orders under \$200.00 will be accessed a \$25.00 handling fee.
3. All orders will take a minimum of 2 weeks to ship out. If the order is only scrabble letters and trays, we try to ship sooner.
4. We ship UPS and charge only what UPS charges us, or have it charged to your account. If you want us to ship FedEx to your account there is a \$20 service charge for orders under \$500.
5. In the event of damage to your merchandise, contact us within 30 days of receiving your shipment. Let us know what the damage is and send us pictures of the damaged item(s). We will contact you and make it right - either send a replacement or give you a credit for the damages.
6. In the event of receiving a box with visible damage on the outside, either refuse the box and have it sent back to us, or take pictures of the box and damaged items and let us know within 7 days. We will file a claim with UPS and in some cases they may come out and inspect the box.
7. Claims received after 30 days of receiving shipment can still be processed, but we will only issue a credit on your account and not send out replacements.
8. Since all of our products are made of wood, we will occasionally see something warp over time. If you have an item in your store or a customer brings something back that has warped, we will replace the item(s). All of our wood is sealed, but it does happen occasionally.
